Washington, D. C.

Dear Sir:

I would appreciate information regarding the leasing of retail stores at the proposed C.I.A. building at Langley, Va.

We are interested in the procedure to be followed in obtaining space, basis on which tenants will be selected, possible restrictions on merchandise to be sold to avoid duplication by the various stores, probable date of occupancy, etc.

I have been in business in Virginia for over 10 years and can prove financial responsibility, adequate capital and competency. My tentative plan would be to specialize in greeting cards, with additional merchandise depending on space and lines carried by other merchants.

Any information will be appreciated. A copy of this letter is being sent to the General Services Administration.

Very truly yours,

/s/

(Mrs.) Elaine Handy
